DIS' AND DATA AS TIME AND SPACE PERMITS !! June was a rough month for your Editor but we are still 'hanging in'. My 96 year old mother had brain surgery in June and has amazed everyone with her progress. She is alert and eating good although does not have the strength to walk as yet. I appreciate all those who have contacted me regarding Mom!! Too, had to spend a lot of time promoting our annual July Jamboree in Fayetteville. For sixteen years, Charlie McCoy (of Nashville fame) has returned to his home town for a big show. His guest this year was Crystal Gayle and we had a great event..... Note: Joe Copeland, Bill Williges and others who have requested application brochures. These are in the process of being prepared and will be sent upon arrival from the printers.....Too; as noted in another section, new Membership Rosters will be mailed to all members soon. These booklets will contain a listing of all members (as of July 10, 1989) as well as the NSCA Constitution and By-Laws, the Code of Ethics, and the rules for disposing of a deceased members's collection through NSCA. Watch for it !!.....

SCRIPTOR ARLIE SLABAUGH pens that he has some interesting material on Consolidation Coal that he will send along for possible publication in the bulletin. As many of you are aware, Arlie was greatly responsible for my publishing Coal Company Scrip many years back and his interesting scrip material is published in the front of your Edkins' catalogs..... **SCRIPTOR JERRY SCHAEFER** forwarded an interesting article from **ANTIQUE WEEK** on coal mining collectibles. Will try to use a portion of the material in a future issue. It relates to a museum of antique coal mining pieces owned by a Jerry Beckley, a teacher in the Athens, Ohio school system....Will attempt to reproduce a small section of a mine supply

catalog of many years ago from the C. M. McClung & Co. of Knoxville, TN. Very interesting to note that the Justrite Carbide miners lamps sold for \$30.00 per dozen!! Compare this to what Scriptors Ballard, Podgurski and Bernstein will give you for a mint condition lamp today!!..... In the turmoil of my day to day activities, possibly some of you NSCA members have matters pending with the Janitor. If I am owing anything or have not taken care of any items for you, please let me know so that pending things can be cleared... Too, if any sent scrip for auction listing and you have not received a response, please let me know..... Plans are moving along for the big Fall 1989 event at the Holiday Inn in Oak Hill. It is not too early to make your reservations. President Snodgrass and I will be visiting the motel soon to complete arrangements. As you may recall, a new format will be tri for this meeting so watch the bulletin for details. When making your reservations, remember that trading in rooms will be on Friday night and the main activities (bourse, auction, etc.) will all be on Saturday October 14th.... A final reminder that we need a good collection to sell at auction. We are presently out of material to list for sale. Can we hear from you ???

CORKY CALLING !!

HAROLD 'CORKY' SNODGRESS, PRESIDENT
NATIONAL SCRIP COLLECTORS ASSOCIATION
P. O. BOX 142
MACARTHUR, WEST VIRGINIA 25873

Again, thanks for your confidence in me by
electing me to serve as President of NSCA
for the next two years!!

I will attempt to have some comments in each
SCRIP TALK and I will appreciate having your
suggestions, etc. Drop me a letter at the
address above.

I have been checking on the Copyright information for our catalogs and have the
necessary forms so that the Book Committee can process this. As you know, we will
have a new exploder catalog by David Schenkman going to the printer soon. Too,
a new lumber token catalog is in the works by Terry Trantow.

I am appointing Scriptor G. E. Hutchinson to the Public Relations Committee to assist
Scriptor Joe Copeland. G. E. will be traveling W.Va. in his work and will be in a
position to place our October showcards in many locations.

Too, am seeking proposals for the SPRING 1990 Convention location!! Let me hear
from you. Too, please advise if you will serve as the meeting host and do the
necessary leg-work on making arrangements, etc.

Will see you in Oak Hill in October !! It promises to be a great one !!

.....
SPECIAL MEMO TO THOSE MEMBERS WHO BID BY MAIL IN THE PAINTSVILLE
AUCTION !! FROM: Bill Williams, 152 Kawga Way, Loudon, TN 37774

My sincerest apologies!! Somehow in the course of building a
new house, moving into it and getting married, I misplaced the
entire file on the Paintsville Auction. I have hunted without
any success for three weeks., I had worked up and paid all of
the consignors, and the commission to NSCA. I also had worked
up the loot for the successful bidders and placed it in a secure
place in my old house so that it would be easily found when I
next returned. The secure place turned out to be very secure,
because I never have found it!! When and if I do, I will contact
each of you to find out whether or not you still are interested
in whatever you might have been high bidder for. In the meantime,
I'm taking the financial loss myself. I am extremely sorry for any
inconvenience I may have caused each of you, and assure you that
it will never happen again.

.....
FREE ADS FOR MEMBERS !! Somehow, we did not receive the FREE
ADS copy from Steve Ratliff, 104 Riverview Drive, Pace, FL 32570
for this issue!! Don't know what happened or whether it might
have been lost in the mails!! Anyway, look for it in the next
issue and continue to send your requests to Steve!! Thanks!!

SALE COMMENTS: Was it the heat and summer slump or was it the listings that resulted in the very low bids on this sale ?? As will be noted, loads of the listings went for the \$1.00 per token minimum bid!! It appears that the members who took the time to check the listings really loaded up on good tokens at a very low price !! As noted previously, we need the support of all members in the bidding to keep the bulletin coming your way !! Too, as noted, we are in need of a GOOD collection to sell at auction!! Can we hear from you ??

.....
NOTE: In reply to several inquiries, we are waiting on photos of scrip so that a new MEMBERSHIP APPLICATION BROCHURE can go to the printers. We hope to have these available within a short time. The new MEMBERSHIP ROSTER AND BY-LAWS IS AT THE PRINTERS and these will be mailed to each member as soon as possible. Look for the large envelope in your mail soon !!

Explore the World of Emergency Monies

A Guide and Checklist of World Notgeld, 1914-1947

by Courtney Coffing

Notgeld ("money of necessity") is derived from "not" meaning "necessary" and "gold" meaning "money."

More than 70 countries, represented by 11,865 cities are listed in this substantial 184-page resource. And, separate listing groups (primarily paper and metal) make classifying your issues an easy task. Ample illustrations provide a representation overview of the vast notgeld spectrum.

Standard Catalog of Depression Scrip of the United States

by Ralph Mitchell and Neil Shafer

A detailed note-by-note inspection of the wide range of issues that circulated as emergency money in the 1930s, this work presents issues from all 50 states.

More than 3,570 issues are carefully documented and attributed, with market valuations presented for the most collectible grades. More than 2,025 photos, complete with descriptions of size, color and signatories, provide a collector's eye view of this period in U.S. history.

...COLONEL CALDWELL'S MAIL AUCTION SALE 129 . CLOSING DATE: AUG. 25, 1989 ...

FROM THE GREENBERG COLLECTION: Many of our members collect tokens outside of the coal field or know of collectors that will be interested in the following lots. We hope to get the returns to Paul's estate shortly so am offering the following mini-collections. In looking over these, I believe that many interesting items can be found in each collection. I'll describe each lot briefly so that you can have an idea of the contents of each. If you feel that you need additional info before bidding, please drop me a note!!

111. NEBRASKA - 75 varied tokens - some noted items include: Clarks Bakery, Beatrice; W. F. Diers, Louisville; The Gurley Mercantile, Gurley; Howard Saunier, Bancroft; Hugo F Bilz, Omaha 2¢ pictorial; Noels Liquor, Rosalie; Neils Tavern, Pleasant Dale; Blue Moon Cafe, Elk Creek; Farmers Produce, Genoa; Peter Bande, Cedar Bluffs, etc. Due to my lack of knowledge in this area, you might find a real sleeper or two - thus, I feel that a \$1 minimum token bid should apply. Why not give it a try and help me to get the estate settled!!

112. MINNESOTA: 60 varied tokens. Seems to contain many tavern and bar tokens. Note the following sampling: Paguin Brothers, Red Lake Falls; Sams Bar, Howard Lake; Lens Bar, Cobden; Jacks Tavern, Cedar Mills; Lincoln Tap Room, St. James; Midway Bar, Pipestone; Leon Fussky, Lake Wilson; Marti & Kretsch Bar, New Ulm; Toms Bar, Dexter; Anderson & Nelson, Ellendale, etc. Here, again, feel that the \$1 minimum per token will be in line for your bid!!

113. ILLINOIS: 30 tokens including a set of coal from Benton - 223A1 thru A100 - Plus A & M Liquor, Ottawa; Leonards Tavern, Danville; Dashners Tavern, Kewanee; White Elephant, Galesburg; Skip & Joes, Belleville, etc. Since the coal is low rarity and some of the other tokens appear to be common - how about a \$20 MB for these 30 items !!

114. IDAHO: 56 assorted tokens in this lot!! A sampling includes: Bouquet Cigar Store, Boise; Nugget, Weiser; Twin Falls Sport Shop; Miners Inn, Burke; The Manhattan, Parma; Bennetts, Genesee; etc. Since the sleeve markings on these indicate that most were purchased at \$1 each (who knows when?), the janitor says go with a 75¢ MB on this lot or \$40 for the lot!!

115. WISCONSIN: 44 assorted from this state!! Includes 5 tokens from Al & Carrie's Tavern marked Unlisted and Rare??? Too, note Lowmans Bar, Symco; Tillys Tavern, Butte Des Morte; Brunos Bar, Florence; Fox River Bar, Oshkosh; Toms Bar, Medford; Sonny's Bar, Washburn; The W P Massuere Co., Arcadia, etc. How about an MB of \$40 on this group ??

116. We are offering again on this lot the 5000 more or less wooden money tokens. See last sale for a better description. As previously mentioned, I reserve the right to reject unreasonable bids on this collection !! I realize that these items are offered in the numismatic papers every issue for around 25¢ each, so, feel that 10¢ per token would not be too far out of line!! At this, a person could make a few bucks by packing these by states and offering for sale - I believe that all states are included in the collection !! As previously noted, the collection is meticulously catalogued. Can I hear \$500.00 for these - plus the UPS cost of getting these to you ?? Additional correspondence invited!!

WE ARE STILL SEEKING A BETTER TOKEN COLLECTION TO SELL AT AUCTION !! WE ARE OUT OF MATERIAL AT THIS TIME AND CAN GET YOUR ITEMS INCLUDED IN THE NEXT SALE!! REMEMBER - the commission is only 20% and you can specify minimum bids on the better items!! We will need an itemized listing with catalog numbers on all items since we do not have the time to grade and catalog your tokens!! Can we hear from you ??
